Sir:

Responsive to the Notice of Allowance dated December 5, 2005, and the Examiner's Statement of Reasons for Allowance set forth on December 5, 2005, applicant agrees with the Examiner's conclusions regarding patentability of the allowed claims without necessarily agreeing with or acquiescing in the Examiner's reasoning. In particular, applicant believes that the application is allowable because the prior art fails to teach, anticipate or render obvious the invention as claimed, independent of how the invention is paraphrased.

Please contact the undersigned if there are any questions or comments, or if applicant can be of any assistance in expediting issuance of the patent.
